minutes.

Chinese Embassy in the United States

View your declaration

🟢 Green: You are eligible to board the flight. Please take note of the validity date of your Health Declaration QR Code (HDC) and make sure to board within the validity period. Please have your HDC ready for pre-boarding screening by the airlines.

🔴 Red: Your HDC did not pass verification due to the following reasons:
i)your test result being positive;
ii)your test certificate being issued earlier than the required period before boarding;
iii)your test not being taken at a designated or recognized institution; or
iv)other problems with your test certificate.

⚫ Gray: Your HDC has expired. Please resubmit your Health Declaration Form and test certificate within the required period before boarding.

🟠 Yellow: You have submitted your Health Declaration Form and test certificate. Please wait for verification.
